(b) Upon receipt of such report, the Medical Examiner or his/her appointed representative may go to the location of the body and take charge of same, and may begin his/her investigation with an examination of the scene.

(c) No person shall disturb the scene of such death, nor shall any person handle, move, disturb, undress, embalm, or remove the body from the position in which it is found, until authorized by the Medical Examiner or his/her appointed representative, except for the purpose of preserving such body from damage or destruction, or in such cases as may be authorized by the Medical Examiner. Whenever the Medical Examiner shall lawfully assume jurisdiction of a body, it shall not be removed or released from his/her jurisdiction except upon his/her direction and consent.

**Sec. 38-123. Order to disinter.**

The Medical Examiner may petition the Circuit Court for an order to disinter for the purpose of investigation or autopsy or both.

**Sec. 38-124. Permission required for removal.**

No dead human body whose death may be subject to investigation under Sec. 38-118, or the personal property of such a deceased person, shall be handled, removed, disturbed, embalmed or removed from the place of death by any person except with the permission of the Medical Examiner, unless the same shall be necessary to protect life, safety, or health.

**Sec. 38-125. Decedent's Personal Property.**

(a) The Medical Examiner shall cause an inventory to be taken whenever any valuable personal property, money or papers are found upon or near a dead human body whose death may be subject to investigation under Sec. 38-118.

**Sec. 38-127. Decedent under spiritual treatment**

**Sec. 38-129. Permit to cremate.**

Where the remains of any dead human body are to be cremated, dissected or buried at sea, thus becoming unavailable for later examination; it shall be the duty of the funeral director or person having custody of the dead human body to obtain from the Medical Examiner a permit. The Medical Examiner's Permit shall be presented to the local registrar in applying for the permit for disposition of a dead human body provided for in Section 410 ILCS 535/21 of the "Vital Records Act," as heretofore or hereafter amended, and the local registrar shall attach the Medical Examiner's permit to cremate to the permit for disposition of a dead human body which is issued. No crematory shall cremate a dead human body unless a permit for disposition of a dead human body with an attached Medical Examiner's Permit has been furnished to authorize the cremation

**Sec. 38-130. Release of the body.**

Upon completion of the Medical Examiner's investigation and examination, the Medical Examiner shall release the body of the decedent to the decedent's next of kin, personal representative, friends, or to the person designated in writing by the decedent or to the funeral director selected by such persons, as the case may be, for proper disposition and none of the duties or powers of the Medical Examiner enumerated in this ordinance shall be construed to interfere with or control the right of such persons to the custody and proper disposition of the decedent upon completion of the Medical Examiner's investigation. If there are no such persons, The Medical Examiner shall cause the proper disposition of the decedent, if sufficient, if not, by an appropriate government agency. The Medical Examiner shall have the power to dispose of any body in accordance with the "Cadaver Act," 410 ILCS 510 *et seq.*

**Sec. 38-131. Records to be kept.**

(a) The Medical Examiner shall keep full and complete records properly indexed, giving the name, if known, of every person whose death is investigated, the place where and the date when the body was found and the date of death, if known. In case the name of the decedent is not known, the Medical Examiner shall prepare a description of the person and enter the same upon his/her records, together with

all facts and circumstances of the death which may be known, and which may later lead to the identification of the dead person.

(b) It shall be the duty of the Medical Examiner to keep on file in his/her office full and complete records of all deaths coming under his/her jurisdiction, together with his/her conclusions therein.

(c) Upon completion of investigation and any related criminal proceeding, the official report of the Medical Examiner's investigation shall be made available for inspection to any person with substantial or important interest upon written request. A copy of the official report may be obtained upon payment of the duplication fee. This shall not foreclose access to other records where appropriate.

**Sec. 38-132. Advisory committee.**

There shall be created a Medical Examiner's Advisory Committee appointed by the President of the Cook County Board of Commissioners with the advice and consent of the Board of Commissioners. Members shall include but not be limited to persons representing the medical profession, funeral directors, State's Attorney, police and the public. The members of this committee shall serve without pay, but shall be reimbursed for reasonable expenses incurred in the performance of their duties. Such expenses shall be paid from the Medical Examiner's budget.

**Sec. 38-133. Death caused by wrongful act; liability for expenses incurred.**

Any person, individual, partnership, corporation, firm, company, trust, estate, political subdivision, state agency, or any other legal entity who causes the death of a decedent by a wrongful act, carelessness, or negligence which shall be subject to a Medical Examiner's investigation shall be liable to pay any and all expenses incurred by such investigation and the associated burial expenses. The same shall be recoverable by the county.

**Sec. 38-134. Transportation costs.**

All transportation costs of the body incident to the Medical Examiner's investigation shall be recoverable from the estate of the deceased.

**Sec. 38-135. Fees.**

The Medical Examiner shall charge the following fees with the amounts as set in Section 32-1 of this Code.

- (1) *Autopsy report.*
- (2) *Toxicology report.*
- (3) *Miscellaneous Reports*, including artist's drawings, but not including police reports.
- (4) Permit to cremate a dead human body obtained from the Office of the Medical Examiner, by facsimile or electronic filing.
- (5) *Return fee.* The Return Fee is charged to funeral homes that pick up bodies from the Medical Examiner's Office and then request to return them to the Office after determining

that the family has no funds for burial. This cost would include the cost of the burial shell and the burial cost.

- (6) *Death certificate amendment fee.* Fee is charged if the amendment is made later than 1 year of the person's death (due to a return by Funeral Home). The Office of the Medical Examiner is charged by the Illinois Department of Vital Records for amendments made to a death certificate after 1 year of the death.
- (7) *Storage fee.* This fee covers the bodies returned (by the Funeral Homes) to the Office of the Medical Examiner for storage while families secure funds for burial services. This "storage fee" would replace the "return fee" if a funeral home returns a body and picks it up again within 10 days. If the body is not picked up within 10 days, the body will be held and buried by the County according to the standard operating procedures of the Medical Examiner. This "storage fee" discourages the use of the Office of the Medical Examiner as a storage location by funeral homes and also encourages the funeral directors to verify that families have funds for burial prior to removing a body from the Office of the Medical Examiner.
- (8) Photographs, radiographs, and histology slides.

**Sec. 38-136. Debt due County.**

All fees and expense reimbursements shall constitute a debt due the County of Cook and be paid to the Medical Examiner who shall deposit the same with the County Treasurer on the last day of every month.

**Sec. 38-137. Impersonation unlawful.**

It shall be unlawful for any individual to impersonate the Medical Examiner and/or any Medical Examiner investigator.

**Sec. 38-138. Penalty for violation.**

Any person who knowingly violates any provision of this ordinance shall be fined not more than \$1,000 and imprisoned not more than six months.

**Sec. 38-139. Annual report.**

The Medical Examiner shall prepare and submit to the Cook County Board of Commissioners an annual report of the activities of his/her office.

**Sec. 38-140. Special accounts in the County treasury.**

Monies received by the Medical Examiner's Office and placed in the special accounts shall be used solely for the purchase of electronic and forensic identification equipment or other related supplies and the operating expenses of the Medical Examiner's Office.

**BE IT FURTHER ORDAINED**, by the Cook County Board of Commissioners, that Chapter 32 Fees, Section 32-1 of the Cook County Code is hereby amended as follows:

TODD H. STROGER, President, WILLIAM M. BEAVERS, JERRY BUTLER, FORREST CLAYPOOL, EARLEAN COLLINS, JOHN P. DALEY, BRIDGET GAINER, ELIZABETH "LIZ" DOODY GORMAN, GREGG GOSLIN, JOSEPH MARIO MORENO, JOAN PATRICIA MURPHY, ANTHONY J. PERAICA, EDWIN REYES, TIMOTHY O. SCHNEIDER, PETER N. SILVESTRI, DEBORAH SIMS, ROBERT B. STEELE and LARRY SUFFREDIN, County Commissioners

**RESOLUTION**

**WHEREAS**, Almighty God in His infinite wisdom has called one of the most deeply influential spiritual leaders in the United States, Bishop Arthur M. Brazier, from our midst; and

**WHEREAS**, Bishop Brazier was born on July 22, 1921 in Chicago, Illinois, the son of Robert and Geneva Scott Brazier; and

**WHEREAS**, Bishop Brazier attended Stephen A. Douglas elementary school and matriculated at Wendell Phillips High School, leaving after one year to join the work force; and

**WHEREAS**, drafted into a segregated United States Army in 1942, Bishop Brazier became a staff sergeant and served in India and Burma at the height of World War II; and

**WHEREAS**, honorably discharged from the Army in 1945, Bishop Brazier met his future wife, Esther Isabelle Holmes, in July of 1947 and they were married on February 21, 1948; and

**WHEREAS**, in 1955, while working for the U.S. Postal Service as a letter carrier, Bishop Brazier enrolled in evening classes at Moody Bible Institute, where he undertook six years of formal, systematic biblical training, and received a graduating certificate in 1961; and

**WHEREAS**, Bishop Brazier became the pastor of Universal Church of Christ on Chicago's South Side in 1952; in 1960 he merged his congregation with that of the Apostolic Church of God in the Woodlawn neighborhood of Chicago; Bishop Brazier served as pastor of the Apostolic Church of God from 1960 until 2008 when he became Pastor Emeritus; and

**WHEREAS**, Bishop Brazier also served as diocesan of the Sixth Episcopal District of the Pentecostal Assemblies of the World for 31 years; and

**WHEREAS**, over the course of almost six decades, Bishop Brazier, through his spiritual dispensations, aided countless many on their personal faith journeys; and

**WHEREAS**, in addition to his spiritual leadership, Bishop Brazier was a pioneer in community organizing in the United States; in 1961 he became the founding president of The Woodlawn Organization, one of the most successful community organizations in the nation; through The Woodlawn Organization, Bishop Brazier fought against gangs and crime, and agitated for affordable housing and better schools; Bishop Brazier was a stalwart presence of opposition when the University of Chicago sought to expand into the Woodlawn neighborhood; this would have displaced residents and used land that Bishop Brazier had hoped to utilize for low-income housing; and

**WHEREAS**, Bishop Brazier and Rev. Dr. Martin Luther King, Jr. became acquainted in 1966, when Bishop Brazier invited Rev. Dr. Martin Luther King, Jr. to the Apostolic Church of God for its annual Bible Conference; Bishop Brazier supported Rev. Dr. Martin Luther King, Jr. during the 1960s in Chicago, marching in the struggle against segregation in housing and schools despite bomb threats on his church and threats to his life; and

**WHEREAS**, in 1969, Bishop Brazier accepted a staff position with the Citizens Crusade Against Poverty and, in 1970, he resigned as President of The Woodlawn Organization. Bishop Brazier also joined the staff of The Center for Community Change, a Washington-based institution that provided technical assistance to community organizations across the country; after several years with The Center, Bishop Brazier was promoted to the office of Vice President in charge of Major Projects, and remained in this position until 1986 when he resigned to spend more time with his Church; and

**WHEREAS**, Bishop Brazier was the founding chairman of the Board of the Woodlawn Preservation and Investment Corporation, a community-based group organized for the improvement of the Woodlawn community, and was the founding chairman of the Fund for Community Redevelopment and

Revitalization; this group of community and institutional leaders came together to undertake efforts over the next five-to-ten years to rebuild two communities, namely East Woodlawn and North Kenwood-Oakland; and

**WHEREAS**, the Apostolic Church of God continues to be an obligatory stop on the campaign trail of those individuals seeking higher office; when President Barack Obama visited the Apostolic Church of God during his presidential campaign in June of 2008, he paid homage to Bishop Brazier's moral rectitude when he called him "one of our nation's leading moral lights"; and

**WHEREAS**, Bishop Brazier influenced several generations of young pastors, teaching them—not in the least by example—how to navigate the junctures of the political and the spiritual, and how to master the melding of the two; and

**WHEREAS**, Bishop Brazier was a sought-after speaker and teacher, and he authored a number of articles for various publications as well as three books, *Black Self-Determination*, *Saved By Grace and Grace Alone*, and *From Milk to Meat*; and

**WHEREAS**, despite his full life and many obligations, Bishop Brazier devoted time selflessly to numerous charitable and civic organizations; as an appointee of Mayor Daley's, Bishop Brazier served on the Public Building Commission of Chicago for 20 years, resigning last year; and he chaired both the Executive Committee of the New Communities Program/Woodlawn, an affiliate of the Local Initiative Support Corporation, as well as the Woodlawn Children's Promise Community; and

**WHEREAS**, in 2008, Bishop Brazier stepped down from the pulpit of the Apostolic Church of God and became Bishop Emeritus, and his son, Rev. Dr. Byron Brazier, donned the Church's leadership mantle; what started out as a 100-member congregation in 1960 had mushroomed, by 2009, into a vital and vibrant congregation 20,000-members-strong; and

**WHEREAS**, in a testament to the high esteem in which Bishop Brazier was held, the following are just a few words that have been used to denote his character and complexity as a human being: dignity, grace, gentleness, intellect, sophistication, dedication, and integrity; and

**WHEREAS**, in losing Bishop Brazier we have lost a man who spiritually galvanized and economically uplifted a multitude of people, and whose profound legacy shall live on for many, many years to come; and

**WHEREAS**, Bishop Brazier leaves to mourn his loving wife, Esther Isabelle Brazier, four children, Lola Hillman, Janice Dortch, Rosalyn Shepherd, and Dr. Byron T. Brazier, seven grandchildren, and eleven great-grandchildren, as well as a host of extended family and friends.

**NOW, THEREFORE, BE IT RESOLVED**, that Bishop Arthur M. Brazier will be remembered in the hearts of all the people he touched and loved; and

**BE IT FURTHER RESOLVED**, that I, President Todd H. Stroger, along with the Cook County Board of Commissioners, on behalf of the more than five million residents of Cook County, do hereby express our deepest condolences and most heartfelt sympathy to the family as well as to the many friends and loved ones of Bishop Arthur M. Brazier, and may a suitable copy of this Resolution be tendered to the family of Bishop Arthur M. Brazier so that his rich legacy may be so honored and ever cherished.

**PROPOSED RESOLUTION**

JOSEPH MARIO MORENO and JOAN PATRICIA MURPHY, County Commissioners

EDWIN REYES, County Commissioner

PROPOSED RESOLUTION

**RESOLUTION REQUESTING AN INDEPENDENT AUDIT OF THE  
COUNTY'S CONTRACT COMPLIANCE PROGRAM**

**WHEREAS**, Chapter 34, Division 6, Cook County Minority and Women Owned Business Enterprise Ordinance states as its purpose that it is the public policy of the County to ensure the full and equitable participation of minority and female owned businesses in the County's procurement process as both prime and subcontractor; and

**WHEREAS**, Section 34-272 further states that the County is committed to a policy of preventing discrimination in the award of or participation in County contracts and eliminating arbitrary barriers to full participation in such contracts by all persons, regardless of race, sex, or ethnicity; and

**WHEREAS**, in fulfillment of its policy to promote equal opportunity in its procurement process, the County established the goal that Protected Class Enterprises shall participate in not less than 35 percent of the annual aggregate value of all contracts awarded by the County; and

**WHEREAS**, to achieve the goals stated in the ordinance, the Purchasing Agent shall include in the bid specifications a requirement that each contractor commit that Minority Business Enterprise and Women's Business Enterprise participation in the contract will equal at least 25 percent (30 percent in the case of construction contracts) and 10 percent, respectively, of the total dollar value of the contract; and

**WHEREAS**, the impetus for the establishment of the County's MBE/WBE Ordinance was the result of an investigation directed by the County Board, which found that minority and women's businesses continued to be awarded prime contracts and subcontracts in dollar amounts that were disproportionately lower than the availability of such businesses willing and able to perform County contracts; the County's procurement practices in the past had contributed to the above identified under-utilization of minority and women's businesses on County contracts; minority and women's businesses continued to be disadvantaged by discriminatory practices in the local construction industry and economy when competing for County contracts and in seeking subcontracting opportunities on such contracts; the County was a passive participant in the discriminatory practices of businesses, which discriminate against minority and women's businesses by entering into contracts with such businesses; and

**WHEREAS**, just recently, members of this Honorable Body have received complaints from local MBE/WBE vendors that they are not being allowed to participate in the majority of contracts awarded by the Cook County Health & Hospitals System (CCHHS), which led to the passage of two resolutions, namely resolution 10-R-163 and 10-R-228 seeking to shed light on their compliance with the County's MBE/WBE ordinance; and

**WHEREAS**, this body has also received similar complaints for contracts awarded by the County, which has ultimately led to the audit/survey conducted by the Independent Inspector General's office; and

**WHEREAS**, the Office of the Independent Inspector General (OIIG) Report No. IIG-08-0122 (M/WBE Survey and Audit) of October 21, 2010, which includes a random sampling of M/WBE vendors and concludes that substantial deviations from the program goals as well as potentially fraudulent conduct exists, such as but not limited to prime contractors not allowing M/WBEs to participate in awarded contracts according to the County's program goals or not paying them for said participation, and requests for M/WBEs to serve as "Pass Through" enterprises for Prime Contractors to win County contracts; and

**WHEREAS**, the report further concludes that these violations could have been discovered or prevented with the existence of an effective internal control framework in place to monitor M/WBE contract participation and in several of the cases the Contract Compliance Department failed to successfully monitor contract performance and that currently there is an almost complete lack on the part of said department to enforce contractor's reporting obligations and review of contract activity from the

Purchasing Agent, enabling prime contractors to circumvent program goals and raising major concerns about the integrity of the County's M/WBE program; and

**WHEREAS**, the examples and findings contained in the Inspector General's report make a mockery of the meritorious goal and will of this Honorable Body to prevent discrimination in the award of or participation in County contracts and to ensure that minority and women's businesses are provided full and equal opportunity to participate in said contracts; and

**WHEREAS**, the egregious conduct revealed in the OIIG report cannot be tolerated or allowed to persist.

**NOW, THEREFORE, BE IT RESOLVED**, that the Cook County Board of Commissioners, does hereby request that an independent audit, under the direction of the OIIG, of the County's Contract Compliance program be immediately initiated in order to verify and document adherence with the County's Minority and Women's Enterprise Ordinance for contracts subject to the ordinance entered into by Cook County including the CCHHS and all departments and elected officials over the last three years to include all current contracts, as well as to verify that the department's organizational structure and procedures are optimal for the proper implementation of the ordinance; and

**BE IT FURTHER RESOLVED**, that in advance of said audit, that all of the recommendations contained in the Inspector General's report be immediately implemented by the Department of Contract Compliance; and

**BE IT FURTHER RESOLVED**, that all cases of possible fraudulent activity as found in the report be investigated to the fullest extent of the law and that any subsequent fraudulent activity found as a result of the above requested audit also be similarly investigated; and

**BE IT FURTHER RESOLVED**, that this Honorable Body requests to be informed about the progress of the implementation of the OIIG recommendations and any further recommendations that result from the independent audit as well as the results of any investigations regarding fraudulent activity.

Commissioner Moreno, seconded by Commissioner Sims, moved that the communication be referred to the Committee on Finance (Comm. No. 309522). **The motion carried unanimously.**

RESOLUTION

**A RESOLUTION REQUESTING THAT ILLINOIS GOVERNOR PAT QUINN  
APPEAL THE DETERMINATION MADE BY THE FEDERAL EMERGENCY MANAGEMENT  
AGENCY THAT COOK COUNTY, ILLINOIS DOES NOT QUALIFY FOR FEDERAL  
DISASTER ASSISTANCE UNDER THE PUBLIC ASSISTANCE PROGRAM FOR THE  
FLOODING DISASTER OF JULY 23 AND 24, 2010**

**WHEREAS**, on July 23 and 24, 2010, numerous communities in Cook County experienced major flooding caused by more than seven (7) inches of rain water in certain areas (the "Flooding Disaster"), resulting in devastating damage to property and the displacement of residents from their homes; and

**WHEREAS**, the many municipalities and local governmental bodies submitted to the Cook County Department of Homeland Security and Emergency Management ("DHSEM") an assessment of the overwhelming damage sustained by those entities during the Flooding Disaster; and

**WHEREAS**, the DHSEM, on behalf of all of the communities in Cook County, Illinois affected by the Flooding Disaster, compiled a total of all of the assessed damage in Cook County, Illinois incurred during the Flooding Disaster, which amounted to Twenty-Six Million Six Hundred Fourteen Thousand Seven Hundred Five Dollars and Ninety-Five Cents (\$26,614,705.95) and forwarded that total to the Illinois Emergency Management Agency ("IEMA"); and

**WHEREAS**, IEMA, based upon the information received from the DHSEM, completed an application for public assistance and filed the application with the Federal Emergency Management Agency ("FEMA"); and

**WHEREAS**, based upon the cost-share regulations governing FEMA (44 C.F.R. §206.47), the Per Capita Impact Indicator Threshold for Public Assistance in Cook County is Seventeen Million Three Hundred Sixty-Six Thousand Eight Hundred Seventy-Three Dollars and Forty-Three Cents (\$17,366,873.43); and

**WHEREAS**, after reviewing the application filed by IEMA, FEMA determined that only Fourteen Million Six Hundred Fifty-Five Thousand and Ten Dollars (\$14,655,010.00) in assessed damages sustained in Cook County, Illinois were eligible for disaster assistance; and

**WHEREAS**, because FEMA has determined that only Fourteen Million Six Hundred Fifty-Five Thousand and Ten Dollars (\$14,655,010.00) in assessed damages sustained in Cook County, Illinois are eligible for disaster assistance, FEMA has denied the allocation of disaster assistance funds to Cook County, Illinois and to the various local governmental bodies; and

**WHEREAS**, each of the local governmental bodies requires disaster assistance to restore its infrastructure and generally to protect the public health, safety and welfare of its residents; and

**WHEREAS**, based upon these substantial governmental concerns, the Cook County Board of Commissioners request that, pursuant to 42 U.S.C. 5189a and 44 C.F.R. §206.440, Illinois Governor Pat Quinn appeal the determination made by FEMA to deny the allocation of disaster assistance funds to Cook County, Illinois and to the local governmental bodies.

**NOW, THEREFORE, BE IT RESOLVED**, by the Cook County Board of Commissioners, that the facts and statements contained in the Preamble to this Resolution are found to be true and correct and are hereby incorporated as part of this Resolution; and

**BE IT FURTHER RESOLVED**, that the Cook County Board of Commissioners hereby requests that, pursuant to 42 U.S.C. 5189a and 44 C.F.R. §206.440, Illinois Governor Pat Quinn appeal the determination made by FEMA to deny the allocation of disaster assistance funds to Cook County, Illinois and to the local governmental bodies; and

**BE IT FURTHER RESOLVED**, that Cook County's elected and appointed officials and employees are hereby authorized to take such actions as are necessary to aid Illinois Governor Pat Quinn in filing an appeal with FEMA; and

**BE IT FURTHER RESOLVED**, that the Cook County Board of Commissioners hereby directs the Secretary of the Board to send a suitable copy of this Resolution to Governor Pat Quinn; and

**BE IT FURTHER RESOLVED**, that this Resolution shall be in full force and effect upon its passage and approval in accordance with law.

308438 BUREAU OF TECHNOLOGY, OFFICE OF THE CHIEF INFORMATION OFFICER – TRANSFER OF FUNDS. Transmitting a Communication, dated July 21, 2010 from R. Steve Edmonson, Chief Information Officer, Bureau of Technology:

requesting approval by the Board of Commissioners to transfer funds totaling \$1,200,000.00 from Account 009-260, Professional and Managerial Services to Account 009-441, Maintenance and Repair of Data Processing Equipment and Software for the extension of Contract No. 08-41-247. (See related Communication No. 308437).

Reason: Due to insufficient funds for the first year of the contract, a shortage has occurred for the remaining months of the contract period. The Bureau of Technology requires additional funds to extend Contract No. 08-41-247 for seven (7) months while preparing a Request for Proposal (RFP) for these services.

From Account 009-260	Professional and Managerial
Services	Total \$1,200,000.00
To Account 009-441	Maintenance and Repair of
Data Processing Equipment	
and Software	Total \$1,200,000.00

1. On what date did it become apparent that the receiving account would require an infusion of funds in order to meet current obligations? What was the balance in the account on that date, and what was the balance 30 days prior to that date?

The Bureau of Technology became aware of the shortage of funds in the week of July 5-9, 2010. The balance in the account on that date was \$18,858.00. The balance 30 days prior was \$18,858.00.

2. How was the account used for the source of transferred funds identified? List any other accounts that were also considered (but not used) as the source of the transferred funds.

The Bureau of Technology identified the Account 260 for this transfer on request.

3. Identify any projects, purchases, programs, contracts, or other obligations that will be deferred, delayed, or canceled as a result of the reduction in available spending authority

that will result in the account that funds are transferred from 009-260 (Professional Services).

The 260 Account is used for professional services. It was the Bureau of Technology intention to use the \$1.2 million for project management services related to the Broadband Stimulus Grant Program. Funding for this Grant was not awarded during the first two cycles. It is anticipated that funding for this grant will not occur during FY2010. The Bureau of Technology seeks to reallocate these funds to the Sentinel Hardware maintenance extension period, while an RFP is developed.

4. If the answer to the above question is “none” then please explain why this account was originally budgeted in a manner that caused an unobligated surplus to develop at this point in the fiscal year.

The Village of Burnham, Cook County, Illinois, respectfully requests that the Cook County Board of Commissioners approve a no cash bid for a vacant parcel of real estate. This Request Package contains one (1) Property Index Number (PIN):

307902            VILLAGE OF EAST HAZEL CREST (NO CASH BID REQUEST). Transmitting a Communication from Deborah Sims, Chairman, Tax Delinquency Subcommittee, submitting a request from Patricia Lazuka, Village Administrator, Village of East Hazel Crest.

Re: No Cash Bid Request Package for the Village of East Hazel Crest.

I respectfully submit for your approval the Village of East Hazel Crest's request to acquire the following three (3) vacant commercial properties in an effort to increase tax revenues and development within Village limits. This No Cash Bid Request Package contains three (3) Property Index Numbers (PINs) as follows:

**VILLAGE OF EAST HAZEL CREST**

<b><u>VOLUME</u></b>	<b><u>PROPERTY INDEX NUMBER</u></b>
216	29-29-300-007-0000
216	29-29-300-008-0000
216	29-29-300-011-0000

The Village of East Hazel Crest has identified that this commercial building and parking area has been abandoned for more than a year and is currently blighted. With the recent road work improvements in this area this property has been reduced and is deteriorating at a rate that makes it difficult to encourage new development. The Village of East Hazel Crest would like to secure this property, make the necessary improvements and remarket it in an effort to add to its business tax income. East Hazel Crest is a small land locked community with a small business base. This particular property would benefit by the addition of adjoining property (requested in a second No Cash Bid application) if it were combined to make a more marketable site. It would assist the Village in maximizing the sales tax potential.

The Village of East Hazel Crest will file for and maintain tax exempt status for the requested property until that time a developer is located.

There is no Third Party Request, proposal or agreement by a developer, organization or other private party for this no-cash bid request.

The Village of East Hazel Crest will retain the legal services of Hiskes, Dillner, O'Donnell, Marovich & Lapp, Ltd, attorneys for the Village, to obtain the tax deed and the Village will bear all legal and other costs associated with acquisition of the parcel.

The Village of East Hazel Crest will also annually report to the Cook County Department of Economic Development informing and updating the County as to the status of the parcel of property for five (5) years or until the intended development is completed, whichever comes last.

**\*Referred to the Committee on Tax Delinquency Subcommittee on July 27, 2010.**

**Commissioner Murphy, seconded by Commissioner Butler, moved the Approval of Communication No. 307902. The motion carried.**

307903            VILLAGE OF EAST HAZEL CREST (NO CASH BID REQUEST). Transmitting a Communication from Deborah Sims, Chairman, Tax Delinquency Subcommittee, submitting a request from Patricia Lazuka, Village Administrator, Village of East Hazel Crest.

Re: No Cash Bid Request Package for the Village of East Hazel Crest.

I respectfully submit for your approval the Village of East Hazel Crest's request to acquire the following two (2) land parcels in an effort to increase tax revenues and development within Village limits. This No Cash Bid Request Package contains two (2) Property Index Numbers (PINs) as follows:

**VILLAGE OF EAST HAZEL CREST**

<b><u>VOLUME</u></b>	<b><u>PROPERTY INDEX NUMBER</u></b>
216	29-29-300-012-0000
216	29-29-300-014-0000

The Village of East Hazel Crest has identified these lots as a potential site that would expand the size of an existing commercial area. With the recent road work improvements in this area this property and its adjacent commercial building, requested in a separate No Cash Bid Request Package, have been reduced and are deteriorating at a rate that makes it difficult to encourage new development. The Village of East Hazel Crest would like to secure this property, make the necessary improvements and remarket it in an effort to add to its business tax income. East Hazel Crest is a small land locked community with a small business base. These particular properties would add dimension to the commercial property that abuts this parcel. It would assist the Village in maximizing the sales tax potential.

The Village of East Hazel Crest will file for and maintain tax exempt status for the requested property until that time a developer is located.

There is no Third Party Request, proposal or agreement by a developer, organization or other private party for this no-cash bid request. The Village of East Hazel Crest will retain the legal services of Hiskes, Dillner, O'Donnell, Marovich & Lapp, Ltd, attorneys for the Village, to obtain the tax deed and the Village will bear all legal and other costs associated with acquisition of the parcel.

The property is a swath of green space that is situated in the heart of the City of Rolling Meadows' downtown area. requesting approval by the Board of Commissioners to transfer funds totaling \$4,000.00 from Account 031-260, Professional and Managerial Services to Account 031-190, Transportation and Other Travel Expenses for Employees.

JOURNAL OF PROCEEDINGS FOR NOVEMBER 3, 2010

Reason: The Office of Capital Planning and Policy monitors capital improvements to ensure Cook County facilities are accessible, secured and structurally sound. This transfer request is due to an increase in project site visits by project directors and will satisfy obligations for the balance of FY 2010.

From Account 031-260 **Total \$4,000.00**

To Account 031-190 **Total \$4,000.00**

1. On what date did it become apparent that the receiving account would require an infusion of funds in order to meet current obligations? What was the balance in the account on that date, and what was the balance 30 days prior to that date?

On October 6, 2010 the balance in Account 031-190 was \$962.00. Thirty days prior the balance in Account 031-190 was \$979.00.

2. How was the account used for the source of transferred funds identified? List any other accounts that were also considered (but not used) as the source of the transferred funds.

The transferred fund account is used for professional services that consists of appraisals and surveys and was the only account taken into consideration.

3. Identify any projects, purchases, programs, contracts, or other obligations that will be deferred, delayed, or canceled as a result of the reduction in available spending authority that will result in the account that funds are transferred from.

None.

4. If the answer to the above question is "none" then please explain why this account was originally budgeted in a manner that caused an unobligated surplus to develop at this point in the fiscal year.

The desk is staffed with court personnel and off site legal assistance is provided by attorneys from CBF's program partner, the Chicago Volunteer Legal Services Foundation (CVLS). CBF would grant 100 percent of the contract proceeds to CVLS, which pledges to match the value of the county's contribution.
